### Agenda

- Board Introductions
- Committee Reports

    - Current balance is \$7167.21. We have \$3950 left of the unpaid scholarship \$\$, so if all are claimed, we would have around \$3,200 left.

    - We need a treasurer for 2016-2017, and Angela can help with transition. Nominations are OPEN

      - Suggestion – inform the parents about what it is about. Be clear about what the process is. Put it up on the website.
    - Outfield signs took a beating over the summer. One is gone/mold, etc. Needs to be replaced (In right center). One got split in half and needs to be fixed.
  - Communications
    - **New scoreboard coming prior to the start of the regular season (Yeah!)**
  - Digital Communications
    - Remind.com will be used for immediate (text) announcements with site registration will be used for email communication
  - Concessions
    - No concessions manned in the Fall, but we will do an honor system concession stand so we will need some inventory to put in the honor system concession stand. Coach Stone can prepare for Fall games
  - Spirit Wear

- Football Spirit Wear Sales
  - We have some chairs left, but we ordered some new ones which are XL (wider than the other ones). These are a little more expensive than the other ones, but they should demand a premium price. We ordered 36 XL stadium seats at a cost of \$1224.
  - We need to order some regular seats, as well. Last year we ordered 168. In the prior year, we ordered 192.
  - Melissa Howell volunteered to help with Spirit Wear sales Friday night. One more volunteer would nice to have. Arrive by 6PM and done by start of game at 7:30. Contact Heather Davis if you can help.

      - Mondays will be JV Black and JV Blue district games
      - On Fridays, most JV Blue and Black will play opposite site of Varsity. If we are playing Trinity, LD Bell and Southlake, the JV Blue and JV Black games will be on Saturday.
